Commonwealth of Massachusetts.

Norfolk ss. To the Honorable the County Commissioners of the county of Norfolk. Respectfully represent your petitioners,inhabitants of the town of Wrentham in said county,that common convenience and necessity require that the way known as SHEARS STREET, a public way in said town be relocated between Franklin Street and the Norfolk town line together with making suitable connections with all intersecting ways for the purpose of establishing the boundary lines of said way,making alterations in the course or width of said way and making repairs on said way.

Wherefore your petitioners pray that said way may be relocated within the limits above specified.

Dated May 24,1939.

Henry R.Passey. Warren R.Gilmore.
Raymond F.Hemenway. Charles J.Bishop

order of notice thereon to be served upon the clerk of the town of Wrentham being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view, and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town and to be published in the Franklin Sentinel a newspaper published in said county said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition might then and there appear and be heard if they saw fit. This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the twenty-eighth day of December, 1943, by adjournment of their September meeting next preceding: and the fifteenth day of February, 1944, and two-thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the town of MILLIS, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of order of notice to be posted in two public places in said town: and to be published in the DEDHAM TRANSCRIPT, a news paper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

Horizontal Scale: 1 inch = 40 feet. Vertical Scale: 1 inch = 8 feet. Wallace S. Carson, County Engineer" and marked "Frederick A. And the said Commissioners do likewise further take all the easements in lands adjoining the location of said way as hereby established, consisting of the right to have the lands of said location protected by having the surface of the adjoining land slope from the lines of said location as indicated on said plan.

vs.

GARELICK BROTHERS

At a meeting of the County Commissioners held at Dedham within and for the County of Norfolk on the tenth day of October, 1944, by adjournment of their September meeting next preceding:-

The Board of Health of the town of Franklin, acting presumably under G. L. Chapter 111, Section 143, granted a license and assigned the premises occupied by Garelick Brothers as a place for the exercise of the trade or employment of conducting a piggery which may be a nuisance or hurtful to the Inhabitants, injurious to their estates, dangerous to the public health and is attended by noisome odors.

Section 144 seems to provide the method for reviewing the action of the Board of Health viz:- a bill in equity to be brought by any person in the Superior Court which is given the power to revoke the assignment, prevent further use of the premises and cause the nuisance to be removed or prevented.

Section 145 provides for recovery in tort by any person injured in the comfort or enjoyment of their estate.

Inasmuch as the nuisance complained of is prima facie authorized, it does not fall within the classes of nuisance over which the County Commissioners have jurisdiction under Section 141.

On the above named complaint, after due notice and hearing it is ORDERED THAT SAID COMPLAINT BE and the same hereby is DISMISSED.

Sept. 1944

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the ninth day of November, 1943, by adjournment of their September meeting next preceding: and the twenty-first day of December then next and two thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the town of Canton, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of order of notice to be posted in two public places in said town: and to be published in the Canton Journal, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said twenty-first day of December, 1943, the Commissioners, Frederick A. Leavitt, Edward W. Hunt and Russell T. And it is determined by the Commissioners that all the expenses of making the relocation of way as prescribed in this Return and Order including the expenses of constructing said way, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the town of CANTON.

And the Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings, and have considered and estimated the damages sustained in the premises, having had regard to all the damages done to the parties respectively, whether by taking their property or injuring it in any manner, and having allowed, by way of set off, the benefits, if any, to the property of said parties in the premises, and do estimate and determine the damages to be paid to said parties respectively, in the sums hereafter named; the same to be paid to said parties respectively by the Inhabitants of the town of CANTON when the lands hereby taken and over which said way is hereby located, have been entered upon and possession taken, for the purpose of constructing the said way.

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid on the sixth day of February, 1945, by adjournment of their December meeting next preceding: and the thirteenth day of March, 1945 then next and two-thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the Town of SHARON being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town: and to be published in the Sharon Advocate, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the thirteenth day of March, 1945, the Commissioners Frederick A. Leavitt, Edward W. Hunt and Russell T. And thence the same was continued and adjourned from time to time to this meeting.

And now the said Commissioners, by courses and distances, metes and bounds do relocate said NORWOOD STREET, as prayred for in said petition.

Scale: 1 inch = 20 feet. Wallace S. Carson, County Engineer." and marked "Frederick A. Leavitt, Chairman" which plan is filed herewith and made a part of this Return.

And the said Commissioners do hereby take for the purposes of a highway all the easements and rights incident to a public highway in the lands included within the lines of relocation hereinbefore described and as shown on the plan hereinbefore reffered to and made a part hereof in accordance with Chapter 79 of the General Laws and all acts and amendments thereof and in addition thereto.

And permanent stone bounds will be erected at the termini and angles of said way relocated as aforesaid.

And it is determined by the Commissioners that all portions of the existing highway lying outside the lines herein established are hereby discontinued.

And it is determined by the Commissioners that all the expenses of making the relocation of way as prescribed in this return and order including the expenses of constructing said way, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the town of SHARON.

And the Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings, and have considered and estimated the damages sustained in the premises, having had regard to all the damages done to the parties respectively, whether by taking their property or injuring it in any manner, and

To the Honorable the County Commissioners of the County of Norfolk:-

Respectfully represent your petitioners, inhabitants of the town of SHARON in said County, that common convenience and necessity require that the way known as EAST FOXBORO STREET, a public way in said town be relocated between South Main Street, Sharon and the Foxborough Town Line for the purpose of establishing the boundary lines of said way, making alterations in the course or width of said way, and making repairs on said way.

Wherefore your petitioners pray that said way may be relocated within the limits above specified.

* * * * * * * * * * *

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid on the twentieth day of July, 1943, by adjournment of their April meeting next preceding: and the twenty-first day of September then next and two-thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the town of SHARON being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said towns: and to be published in the SHARON ADVOCATE, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition might then and there appear and be heard if they saw fit.

And having given notice of such adjudication, and of the time and place appointed, and for the purpose aforesaid in the same manner as the notice and publication were given and made before first proceeding to view, the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to this meeting.

And now the said Commissioners, by courses and distances, metes and bounds do relocate said EAST FOXBORO STREET, as prayed for in said petition.

And the lines of said relocation of said EAST FOXBORO STREET are as follows:-

The petition of ARTHUR W. ROHN and others of NEEDHAM in said County, represents as follows:-

Commonwealth of Massachusetts

Norfolk, ss.
To the Honorable the County Commissioners of the County of Norfolk:-

Respectfully represent your petitioners, inhabitants of the town of NEEDHAM in said County, that common convenience and necessity require that the way known as HIGHLAND AVENUE, a public way in said town, be relocated between Great Plain Avenue and Webster Street for the purpose of establishing the boundary lines of said way and making alterations in the course or width of said way.

Wherefore your petitioners pray that said way may be relocated within the limits above specified.

Dated July 24, 1945

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid on the seventh day of August, 1945, by adjournment of their June meeting next preceding: and the ninth day of October, 1945, and two-thirthy o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the town of NEEDHAM, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town: and to be published in the NEEDHAM CHRONICLE, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then
