This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners held at Dedham, aforesaid, on the twenty-second day of May 1928 by adjournment of their April meeting next preceding; and the

twenty-sixth day of June then next, and 3:30 o'clock in the afternoon, at the Selectmen's Room in said Foxborough, were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of this order thereon, to be served upon the Clerk of the Town of Foxborough, being the town within which such relocation of way was prayed for, thirty days at least before the time appointed for said view; and also caused copies of said petition and order to be posted in two public places in said town; and also gave notice to all persons interested, by causing a like copy to be published three weeks successively in the Foxborough Reporter, a newspaper published in said County, said posting and the last publication of said copy having been fourteen days at least before the time appointed for said view; that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit. And on the said twenty-sixth day of June, the Commissioners, Edward W. Hunt, Evan F. Richardson and Frederick A. Leavitt, met at the time and place specified in said order. And the said Commissioners heard all persons and corporations interested; and no party interested objected. And thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition. And thence the same was continued and adjourned from time to time to this meeting. And now the said Commissioners, by courses and distances, metes and bounds, do relocate said South Street as prayed for in said petition.
