COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss. At a meeting of the County Commissioners for the County of Norfolk, held at Dedham, within and for said County, on the twenty-eighth day of June 1932. The petition of John J. Easton and others, of Walpole in said County represents as follows: Commonwealth of Massachusetts Norfolk, ss. To the Honorable the County Commissioners of the County of Norfolk: Respectfully represent your petitioners, inhabitants of the town of Walpole in said County, that common convenience and necessity require that the way known as Common Street, a public way in said town, be relocated between Washington Street and the Sharon Town Line together with suitable connections with all intersecting ways for the purpose of making alterations in the course or width of said way, establishing the boundary lines of said way and reconstructing said way. Wherefore your petitioners pray that said way may be relocated within the limits above specified. Dated December 11, 1931.

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the fifteenth day of December 1931, by adjournment of their September meeting next preceding; and the twelfth day of January 1932 then next and eleven thirty o'clock in the forenoon, at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of order of notice thereon, to be served upon the Clerk of the Town of Walpole being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view; and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town; and to be published in the Walpole Times a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard they saw fit. And on the said twelfth day of January the Commissioners Edward W. Hunt, Frederick A. Leavitt and Russell T. Bates met at the time and place specified in said order, when and where the petitioners appeared, and the town of Walpole was represented by its selectmen; and the said Commissioners then viewed the route and premises, and heard all persons and corporations interested; and no party interested objected; and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition. And thence the same

was continued and adjourned to a meeting of said County Commissioners held at Walpole on the twelfth day of April 1932 at three o'clock in the afternoon, when and where the Commissioners heard all owners of property to be taken or affected by these proceedings and thence the same was continued to this meeting. And now the said Commissioners, by courses and distances, metes and bounds, do relocate said Common Street as prayed for in said petition. And the lines of said relocation of said Common Street are as follows: The northerly line begins at a stone bound in the present easterly line of Washington Street as laid out by the Norfolk County Commissioners be return dated February 6, 1912, said bound bearing N-80-05-10-E 75.76 ft. from the stone bound at the northerly end of the curve at the northwesterly corner of Common and Washington Streets as laid out by said Commissioners on said date, said bound also bearing N-27-54-50-E 67.83 ft. from the stone bound at the northeasterly corner of said Common and Washington Streets; thence southerly and easterly by a 120.00 ft. radius curve 113.59 ft. to a stone bound; thence continuing by a 530.00 ft. radius curve to the right 122.08 ft. to a stone bound; thence S-13-07-30-E 190.00 ft. to a stone bound; thence by a 600.00 ft. radius curve to the left 224.75 ft. to a stone bound; thence continuing by the same curve 224.76 ft. to a stone bound; thence S-56-03-00-E 129.75 ft. to a stone bound; thence by a 2050.00 ft. radius curve to the right 155.74 ft. to a stone bound; thence S-51-41-50-E 394.88 ft. to a stone bound; thence by a 2050.00 ft. radius curve to the right 324.60 ft. to a stone bound; thence S-42-37-30-E 195.28 ft. to a stone bound; thence by a 1400.00 ft. radius curve to the left 280.38 ft. to a stone bound; thence continuing by the same curve 280.39 ft. to a stone bound; thence S-65-34-30-E 524.94 ft. to a stone bound; thence by a 1400.00 ft. radius curve to the left 297.22 ft. to a stone bound; thence continuing by a 35.00 ft. radius curve to the left 86.49 ft. to a stone bound in the westerly line of the Old Post Road and the Sharon-Walpole Town Line; thence S-39-19-40-E 85.02 ft. in said westerly line and said town line to an unmarked point; thence S-32-00-20-E 130.00 ft. in said westerly line and said town line to a stone bound. The southerly line begins at a stone bound in the aforesaid easterly line of Washington Street, said bound bearing S-27-54-50-W 183.23 ft. from the point of beginning of the northerly line as above described; thence northerly and easterly by a 30.00 ft. radius curve 68.12 ft. to a stone bound; thence continuing by a 480.00 ft. radius curve to the right 74.19 ft. to a stone bound; thence S-13-07-30-E 288.30 ft. to a stone bound; thence by a 400.00 ft. radius curve to the left 299.67 ft. to a stone bound; thence S-56-03-00-E 228.04 ft. to a stone bound; thence by a 2000.00 ft. radius curve to the right 151.94 ft. to a stone bound; thence S-51-41-50-E 394.88 ft. to a stone bound; thence by a 2000 ft. radius curve to the right 316.68 ft. to a stone bound; thence S-42-37-30-E 195.28 ft. to a stone bound; thence by a 1450.00 ft. radius curve to the left 290.40 ft. to a stone bound; thence continuing by the same curve 290.40 ft. to a stone bound; thence S-65-34-30-E 524.94 ft. to a stone bound; thence by a 1450.00 ft. radius curve to the left 393.95 ft. to a stone bound; thence continuing by a 120.00 ft. radius curve to the right 102.91 ft. to the last bound in the northerly line as above described. Sharon Town Line as made by the Norfolk County Commissioners by Return dated June 28, 1932. Hartley L. White, County Engineer Scale 1 inch 40 feet" and marked "Edward W. Hunt, Chairman", which plan is filed herewith and made a part of this return. And the said commissioners do hereby take for the purposes of a highway all the easements and rights incident to a public highway in the lands included within the lines of relocation hereinbefore described and as shown on the plan hereinbefore referred to and made a part hereof in so far as such lands may lie outside the limits of said way as heretofore defined. And permanent stone or concrete bounds, not less than three feet long, two feet of which at least shall be inserted in the earth, will be erected at the termini and angles of the way relocated as aforesaid, when practicable; and, when not so, a heap of stones, a living tree, a permanent rock or the corner of an edifice will be a substitute; or said bounds may be permanent stone or concrete bounds not less than three feet long, with holes drilled therein, and filled with lead, placed a few inches below the travelled part of the street or way. And it is determined by the Commissioners that the inhabitants of the Town of Walpole, do within two years from the date of this return and order complete said way in a thorough and workmenlike manner and to the acceptance of the County Commissioners. Said way shall be constructed to the full width indicated on said plan, throughout the entire length of the portion relocated by this return and order. Suitable sidewalks, gutters, culverts, retaining walls, fences and railings shall be constructed wherever needed. And it is determined by the Commissioners that all the expenses of making the relocation of way as prescribed in this return and order including the expenses of constructing said way, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the town of Walpole. And the Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings, and have considered and estimated the damages sustained in the premises, having had regard to all the damages done to the parties respectively, whether by taking their property or injuring it in any manner and having allowed, by way of set off, the benefits, if any to the property of said parties in the premises, and do estimate and determine the damages to be paid to said parties respectively, in the sums hereafter named; the same to be paid to said parties respectively by the inhabitants of the town of Walpole when the lands hereby taken and over which said way is hereby located, have been entered upon and possession taken for the purpose of constructing the said way.
