This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the twenty-third day of March, 1954 by adjournment of their December meeting next preceding: and the thirteenth day of April, 1954, then next and three o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the Town of MILLIS, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of order of notice to be posted in two public places in said town: and to be published in the FRANKLIN SENTINEL a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said thirteenth day of April, 1954, the Commissioners, Frederick A. Leavitt, Russell T. Bates and Clayton W. Nash, met at the time and place specified in said order, and no one having appeared the said Commissioners adjourned said hearing to a meeting of said Commissioners held at the Court House in said Dedham on the twentieth day of April, 19 54, when and where the petitioners appeared, and the Town of MILLIS was represented by its Selectmen; and the said Commissioners

then viewed the route and premises, and heard all persons and corporations interested; and no party interested objected: and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition.

And thence the same was continued and adjourned from time to time to a meeting of said Commissioners held at the Town Hall in MILLIS, on Tuesday, the first day of June, 1954 at three-thirty o'clock in the afternoon when and where the Commissioners further heard the petitioners and owners of property to be taken or affected by said proceedings and thence the same was continued and adjourned from time to time to this meeting.

And now the said Commissioners, by courses and distances, metes and bounds, do relocate said MAIN STREET as prayed for in said petition.

And the line of said relocation of said MAIN STREET is as follows:-

The northerly line of Main Street begins at a stone bound which is on the northerly line of Main Street as laid out by the Norfolk County Commissioners by Return dated April 23, 1918, being Station 1 + 22.76; thence N-68-42-20-E a distance of 70.00 ft. to a stone bound; thence by a curve to the left with a radius of 1400.00 ft. a distance of 318.87 ft. to a stone bound; thence N-55-39-20-E a distance of 383.26 ft. to a stone bound; thence by a curve to the left with a radius of 2000.00 ft. a distance of 147.67 ft. to a stone bound which is on the northerly line of Dover Road as laid out by the Norfolk County Commissioners by Return dated May 13, 1924.

And the said Commissioners do hereby take for the purposes of a highway all the easements and rights incident to a public highway in the lands included within the line of location hereinbefore described and the northerly line of Main Street as laid out by the Norfolk County Commissioners by Return dated April 23, 1918 and the northerly line of Dover Road as laid out by the Norfolk County Commissioners by Return dated May 13, 1924, and the grade thereof is established, all as shown upon a plan entitled "Plan and Profile showing the Relocation and Widening of a portion of Main Street, Millis between Dover Road and Union Street as made by the Norfolk

County Commissioners by Return dated Sept. 7, 1954. Horizontal

Scale: 1 inch = 40 feet. Vertical Scale: 1 inch = 8 feet.

Wallace S. Carson, County Engineer" and signed by "Frederick A. Leavitt, Chairman" which plan is filed herewith and made a part of this Return in accordance with the provisions of General Laws, Chapter 79, and all acts in amendment thereof and in addition thereto.

And the said Commissioners do likewise further take all the easements in lands adjoining the location of said way as hereby established, consisting of the right to have the lands of said location protected by having the surface of the adjoining land slope from the lines of said location as indicated on said plan.

And permanent stone bounds will be erected at the termini and angles of said way located as aforesaid.

And it is determined by the Commissioners that all portions of the existing highway lying outside the lines herein established are hereby discontinued.

And it is determined by the Commissioners, that the Inhabitants of the town of MILLIS, do within two years from the date of this Return and Order complete said way in a thorough and workmanlike manner and to the acceptance of the County Commissioners.

Suitable sidewalks, gutters, culverts, retaining walls, fences and railings shall be constructed, wherever, in the opinion of the County Commissioners, they are needed, provided however, no trees more than one and one half inches in diameter one foot above the ground shall be removed in the course of work done under this paragraph until the County Commissioners have been given notice of the intention to remove such trees and their assent thereto in writing has been given to the Inhabitants of the town of MILLIS.

And it is determined by the Commissioners that all the expense of making the relocation of way as prescribed in this Return and Order including the expenses of constructing said way, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the town of MILLIS.

And the said Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings and have considered and estimated the

damages sustained in the premises, having had regard to all the damages done to the parties respectively whether by taking their property or injuring it in any manner, and having allowed by way of set off, the benefits, if any to the property of said parties in the premises, and do estimate and determine the damages to be paid to said parties respectively, in the sums hereafter named; the same to be paid to said parties respectively by the Inhabitants of the town of Millis when the lands hereby taken and over which said way is hereby located, have been entered upon and possession taken, for the purpose of constructing said way.
