Serial No. 3709 G. 574 - LNTRY

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid on the fifth day of August, 1958, by adjournment of their June meeting next preceding; and the twenty-sixth day of August, 1958, and two-thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the said Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of order of notice thereon, to be served upon the Clerk of the Town of BRAINTREE, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and of said order of notice to be posted in two

public places in said town: and to be published in the BRAINTREE OBSERVER, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said twenty-sixth day of August, 1958, the Commissioners, Russell T. Bates, Clayton W. Nash and Everett M. Bowker, met at the time and place specified in said order: when and where the petitioners appeared and the Town of BRAINTREE was represented by its Selectmen; and the said Commissioners then viewed the route and premises, and heard all persons and corporations interested; and no party interested objected: and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition.

And thence the same was continued and adjourned from time to time to a meeting of the Commissioners held at the Town Hall in BRAINTREE on the thirtieth day of September, 1958 at four o'clock in the afternoon, when and where the Commissioners further heard the petitioners and owners of property to be taken or affected by said proceedings and thence the same was continued and adjourned from time to time to this meeting.
