This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid on the thirteenth day of December, 1955, by adjournment of their September meeting next preceding: and the tenth day of January, 1956 and two-thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of order of notice thereon, to be served upon the Clerk of the Town of SHARON, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for

said view: and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town: and to be published in the SHARON ADVOCATE, a newspaper published in said County, said posting and publication having been seven days at least before the time and place appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said tenth day of January, 1956, the Commissioners, Russell T. Bates, Clayton W. Nash and Everett M Bowker met at the time and place specified in said order: when and where the petitioners appeared and the Town of SHARON was represented by its Selectmen; and the said Commissioners then viewed the route and premises and heard all persons and corporations interested; and no party interested objected: and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition.

And thence the same was continued and adjourned from time to time to a meeting of said Commissioners held at Dedham aforesaid on the tenth day of May, 1960 by adjournment of their April meeting next preceding, a notice of said meeting having been posted as required by law: when and where upon the adjudication aforesaid, the Commissioners appointed the seventh day of June, 1960

and three-thirty o'clock in the afternoon at the Town Hall in SHARON, as the time and place when they would proceed to and take such action in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication and of the time and place appointed, and for the purpose aforesaid in the same manner as the notice and publication were given and made before first proceeding to view, the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was continued and adjourned from time to time to this meeting.

And now the said Commissioners, by courses and distances, metes and bounds, do relocate said MOUNTAIN STREET as prayed for in said petition.

And the lines of said relocation of said MOUNTAIN STREET are as follows:-
