Commonwealth of Massachusetts

To the Honorable the County Commissioners of the County of Norfolk:

Respectfully represent your petitioners, Inhabitants of the Town of RANDOLPH in said County, that common convenience and necessity require that the way known as OAK STREET, a public way in said town, be relocated between Oakland Street and North Street for the purpose of establishing the boundary lines of said way; making alterations in the course or width of said way; and making repairs on said way.

Wherefore your petitioners pray that said way may be relocated within the limits above specified.

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, on the twenty-eighth day of August, 1973 by adjournment of their June meeting next preceding; a notice of said meeting having been posted as required by law; and the second day of October, 1973 and two-thirty o'clock in the afternoon at the Turner Free Library, Crawford Square in Randolph were appointed by said Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon to be served upon the Clerk

Bo. P. # 1110-1974 2036 247

of the Town of RANDOLPH, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view, and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town: and to be published in the PATRIOT LEDGER, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said second day of October, 1973 the Commissioners, James J. Collins, Thomas K. McManus, and George B. McDonald, met at the time and place specified in said Order, when and where the petitioners appeared and the Town of Randolph was represented by its Selectmen; and the said Commissioners then viewed the route and premises, and heard all persons and corporations interested; and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition.

And thence the same was continued and adjourned from time to time to a meeting of the Commissioners held at Dedham on the twelfth day of March, 1974, by adjournment of their December meeting next preceding, a notice of said meeting having been posted as required by law: when and where upon the adjudication aforesaid, the Commissioners, James J. Collins, Thomas K. McManus, and George B. McDonald, appointed the sixteenth day of April, 1974 and two-thirty o'clock in the afternoon at the Turner Free Library, Crawford Square in Randolph as the time and place when they would proceed to and take such action in relation to said adjudication as by law they might be authorized to do.

And having given notice of such adjudication and of the time and place appointed, and for the purpose aforesaid in the same manner as the notice and publication were given and made

before first proceeding to view, the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested and said hearing was continued and adjourned from time to time to this meeting.

And now the Commissioners, James J. Collins, Thomas K. McManus and George B. McDonald, by courses and distances, metes and bounds, do relocate said OAK STREET as prayed for in said petition.

The travelled part of said way shall be constructed not less than thirty-six (36) feet in width.

Suitable sidewalks, gutters, culverts, retaining walls, fences and railing shall be constructed, wherever, in the opinion of the County Commissioners, they are needed, provided, however, no trees more than one and one half inches in diameter one foot
