To the Honorable the County Commissioners of the County of Norfolk:

Respectfully represent your petitioners, inhabitants of the town of PLAINVILLE in said County, that common convenience and necessity require that the way known as GEORGE STREET, a public way in said town, be relocated between East Bacon Street and Messinger Street for the purpose of re-establishing the grade and acquiring slope easements.

Wherefore your petitioners pray that said way may be relocated within the limits above specified.

This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the tenth day of September, 1974, by adjournment of their June meeting next preceding; a notice of said meeting having been posted as required by law; and the twenty-ninth day of October, 1974 and two-thirty o'clock in the afternoon at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises and they thereupon caused a copy of said petition and of order of notice thereon to be served upon the Clerk of the Town of Plainville, being the town within which such relocation of way was

prayed for, fifteen days at least before the time appointed for said view: and also caused copies of an abstract of said petition and order of notice to be posted in two public places in said town: and to be published in the FRANKLIN SENTINEL, a newspaper published in said County, said posting and publication having been seven days at least before the time and place appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said twenty-ninth day of October, 1974 the Commissioners, James J. Collins, Thomas K. McManus and George B. McDonald, met at the time and place specified in said order; when and where the petitioners appeared and the Town of PLAINVILLE was represented by its Selectmen; and the said Commissioners then viewed the route and premises and heard all persons and corporations interested; and no party interested objected; and thereupon the said Commissioners did adjudge that common convenience and necessity require that the said way be relocated as prayed for in said petition.

And thence the same was continued and adjourned from time to time to this meeting.

And now the said Commissioners do re-establish the grade as prayed for in said petition and shown upon a plan entitled "Plan and Profile showing the Relocation of George Street, Plainville, between East Bacon Street and Messinger Street, as made by the Norfolk County Commissioners by Return dated January 21, 1975. Horizontal Scale: 1 inch = 40 feet. Vertical Scale: 1 inch = 8 feet. Alvah L. Downs, County Engineer" and signed by "James J. Collins, Chairman" which plan is filed herewith and made a part of this Return in accordance with the provisions of Chapter 79 of the General Laws and all acts and amendments thereof and in addition thereto.

And it is determined by the Commissioners, that the Inhabitants of the Town of PLAINVILLE do, within two years from the

date of this Return and Order, complete said way in a thorough and workmanlike manner and to the acceptance of the County Commissioners.

And it is determined by the Commissioners that all the expense of making the relocation of way as prescribed in this Return and Order, including the expenses of constructing and maintaining said way, and all land and other damages and expenses incident thereto be paid by the Inhabitants of the Town of PLAINVILLE.

And the said Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings, and have considered and estimated the damages done to the parties respectively, whether by taking their property or injuring it in any manner, and having allowed by way of set off the benefits, if any, to the property of said parties in the premises.
