This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, on the eleventh (11th) day of December, 2002, by adjournment of their September meeting, next preceding, a notice of said meeting having been posted as required by law, and the twenty-ninth (29th) day of January, 2003 at three o'clock in the afternoon at their Administrative Offices, 614 High Street, Dedham was appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of order of notice thereon, to be served upon the Clerk of the Town of NORFOLK, being the town within which such discontinuance was prayed for, fifteen days at least before the time appointed for said view; and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town; and to be published in the THE SUN CHRONICLE, a newspaper published in Attleborough, Mass., said postings and publication having been seven (7) days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard as if they saw fit.

And on the said twenty-ninth (29th) day of January, 2003, the Commissioners, Peter H. Collins and Francis W. O'Brien, met at the time and place specified in said order, when and where the petitioners appeared and the Town of Norfolk was represented by its Selectmen, through its Highway Superintendent; and the Commissioners then viewed the premises, and heard all persons and corporations interested; and no party interested objected; and thereupon the Commissioners did adjudge in accordance with the authority vested in them by Massachusetts General Laws, c. 82, §§ 1 *et seq.*, that common convenience and necessity require that said way be discontinued as prayed for in said petition.

And thence the same was continued and adjourned from time to time to this meeting.

The above described parcel having an area of 14,337 S.F., more or less and is shown as PARCEL "1" on a plan hereinafter referred to.

And it is determined and adjudged by the Commissioners that all lands within the lines above described are hereby discontinued as a highway as provided herein.
