This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the fourth day of October 1927, by adjournment of their September meeting next preceding; and the fifteenth day of November then next, and 10:45 o'clock in the forenoon, at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of this order thereon, to be served upon the Clerk of the Town of Medfield, being the town within which such relocation of way was prayed for, thirty days at least before the time appointed for said view; and also caused copies of said petition and order to be posted in two public places in said town; and also gave notice to all persons interested, by causing a like copy to be published three weeks successively in the Dedham Transcript, a newspaper published in said County, said posting and the last publication of said copy having been fourteen days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit. And on the said fifteenth day of November, the Commissioners met at the time and place specified in said order, when and where the petitioners appeared, and the town of Medfield was represented by its selectmen; and the said Commissioners then viewed the route and premises, and heard all persons and corporations interested; and no party interested objected; and said hearing was then continued and adjourned to a meeting of the Commissioners held at Dedham aforesaid, on the twentieth day of December by adjournment of their September meeting next preceding, when and where the said Commissioners proceeded to consider and adjudicate upon the prayer of said petition, and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition. And upon the adjudication aforesaid, the said Commissioners appointed the tenth day of July 1928 and 11:00 o'clock forenoon, at the Court House in said Dedham as the time and place when and where they would proceed to hear all parties interested and take such action in relation to said adjudication as by law they might be authorized to do; And having given notice of such adjudication, and of the time and place appointed and for the purpose aforesaid in the same manner as the notice and publication were given and made before first proceeding to view (except by publishing an abstract of said petition instead of a copy thereof) the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was thence adjourned and continued from time to time to this meeting. And now the said Commissioners by courses and distances, metes and bounds, do relocate said Hospital Road as

Return and Order be filed, accepted and recorded, and that an attested copy thereof be transmitted to the Clerk of the Town of Medfield within the limits of which said highway described therein lies, that the same may be recorded by said Clerk, within ten days, in the book of records kept in said Town for that purpose.
