This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid, on the twenty seventh day of November 1928, by adjournment of their September meeting next preceding; and the eighth day of January then next and 11:00 o'clock in the forenoon, at the Court House in said Dedham, were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of this order thereon, to be served upon the Clerk of the Town of Medway, being the town within which such relocation of ways was prayed for, thirty days at least before the time appointed for said view; and also caused copies of said petition and order to be posted in two public places in said town; and also gave notice to all persons interested, by causing a like copy to be published three weeks successively in the West Medway Gazette, a newspaper printed at Milford, said posting and the last publication of said copy having been fourteen days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit. And on the said eighth day of January, the Commissioners, Edward W. Hunt, Frederick A. Leavitt, and Russell T. And the said commissioners do hereby take for the purposes of a highway all the easements and rights incident to a public highway in the lands included within the lines of relocation hereinbefore described and as shown on the plan hereinbefore referred to and made a part hereof in so far as such lands may lie outside the limits of said way as here-

Suitable sidewalks, gutters, culverts, retaining walls, fences and railings shall be constructed wherever needed. And it is determined by the Commissioners that all the expenses of making the relocation of ways prescribed in this return and order, including the expenses of constructing said ways and the removal of all buildings, structures, hedges, walls, and fences from the lands taken, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the town of Medway. And the Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings, and have considered and estimated the damages sustained in the premises, having had regard to all the damages done to the parties respectively, whether by taking their property or injuring it in any manner, and having allowed, by way of set off, the benefits, if any, to the property of said parties in the premises, and do estimate and determine the damages to be paid to said parties respectively, in the sums hereafter named; the same to be paid to said parties respectively by the Inhabitants of the Town of Medway when the lands hereby taken and over which said ways are hereby located, have been entered upon and possession taken, for the purpose of onstructing said ways.
