ment of their December meeting next preceding; and the twenty-fifth day of April then next and eleven o'clock in the forenoon, at the Court House in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition, and of order of notice thereon, to be served upon the Clerk of the Town of Randolph being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view; and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town; and to be published in the Randolph Sentinel News, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit. And on the said twenty-fifth day of April, the Commissioners, Edward W. Hunt and Russell T. Bates and Associate Commissioner Ernest H. Gilbert, met at the time and place specified in said order, when and where the town of Randolph was represented by its selectmen; and the said Commissioners then viewed the route and premises and heard all persons and corporations interested; and no party interested objected; and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition. And now the said Commissioners, by courses and distances, metes and bounds do relocate said Canton Street for the purpose of discontinuing a portion of said way as prayed for in said petition. And the lines of said relocation of said Canton Street are as follows: Beginning at the stone bound in the Canton-Randolph town line which marks the easterly end of the relocation of the southerly line of Randolph Street in the town of Canton as made by the Norfolk County Commissioners by Return of even date herewith, said bound bearing S-22-19-00-E 119.12 ft. from the road stone in the Canton-Randolph town line on the northerly side of said Randolph St; thence southeasterly and easterly by a 756.15 ft. radius curve 151.31 ft. to a stone bound in the southerly line of Canton Street as laid out by the Norfolk County Commissioners by Return dated February 5, 1929; then beginning at a stone bound in the present westerly line of Canton Street, said bound bearing S-41-36-00-E 775.37 ft. from the last described bound; thence southeasterly and southerly by a 1350.00 ft. radius curve 314.09 ft. to a stone bound; thence continuing by the same curve 314.10 ft. to a stone bound; thence continuing by a 1921.92 ft. radius curve to the left 117.59 ft. to a stone bound in the present southerly line of said Canton Street as laid out on said date, said bound being at the westerly end of the 1050.00 ft. radius curve at the easterly end of the relocation of Canton Street as made by the Norfolk County Commissioners on the aforesaid date; meaning and intending hereby to discontinue such portion of Canton Street as laid out by the County Commissioners by said Return, as lies south and west of the above described curves. Said lines are shown upon a plan entitled "Plan showing the Relocation of Canton St., Randolph from the Canton Town Line to a point about 1/3 mile easterly as made by the Norfolk County Commissioners by Return dated July 18, 1933.
