COMMONWEALTH OF MASSACHUSETTS

Norfolk ss. At a meeting of the County Commissioners for the County of Norfolk held at Dedham County of Norfolk within and for said County, on the twenty eighth day of September 1937: The petition of Alexander B. Holden and others, of Medway in said County represents as follows: Commonwealth of Massachusetts Norfolk ss. To the Honorable the County Commissioners of the County of Norfolk Respectfully represent your petitioners, inhabitants of the Town of Medway in said County that common convenience and necessity require that the way known as West Street, a public way in said town be relocated between Main Street and Beach Street for the purpose of widening and relocation of street. Wherefore your petitioners pray that said way may be relocated within the limits above specified. Dated March 29, 1937

Frederick A. Leavitt, Edward W. Hunt, and Russell T. Bates met at the time and place specified in said order, when and where the petitioners appeared, and the Town of Medway was represented by its Selectmen; and the commissioners then viewed the route and premises and heard all persons and corporations interested; and no party interested objected; and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition. And thence the same was continued and adjourned from time to time to this meeting. And now the said commissioners by courses and distances, metes and bounds, do relocate said West Street as prayed for in said petition. And the lines of said relocation of said West Street are as follows: The northerly line begins at a stone bound in the present northerly line of said West Street, as laid out by the Norfolk County Commissioners by Return, dated July 2, 1929 said bound being distant 378.00 ft. from the southwest corner of the dwelling house of Alexander B. Holden; thence easterly and southerly by a 2050.00 ft. radius curve 107.24 ft. to a stone bound; thence N. 86-56-40-E 251.95 ft. to a stone bound; thence by a 200.00 ft. radius curve to the left 133.45 ft. to a stone bound in the northerly line of Main Street; thence N. 48-42-50-E in said northerly line 66.47 ft. to the stone bound at the easterly end of the curve at the northerly corner of West and Main Streets as laid out by the Norfolk County Commissioners by Return dated July 2, 1929. The southerly line begins at a stone bound in the present southerly line of West St., said bound bearing S. 6-03-10-E 50.00 ft. from the point of beginning of the northerly line as above described; thence easterly and southerly by a 2000 ft. radius curve 104.62 ft. to a stone bound; thence N. 86-56-40-E 167.84 ft. to a stone bound; thence by a 50.00 ft. radius curve to the right 34.72 ft. to a stone bound in the Medway-Bellingham town line; thence N. 81-27-05-E 73.50 ft. in said town line to an unmarked point in the northerly line of Main Street; thence N. 37-41-50-E 68.45 ft. in said northerly line to an unmarked point; thence N. 48-42-50-E 73.78 ft. in said northerly line of Main Street to a stone bound, said bound being at the easterly end of the 200.00 ft. radius curve at the northerly corner of West and Main Streets as above described. Said lines are shown upon a plan entitled "Plan showing the Relocation and Widening of West St. Medway between Beech St. and Main St. and Hartford Ave., Bellingham at the Medway Town Line, as made by the Norfolk County Commissioners by Return dated Sept. 28, 1937 Hartley L. White County Engineer. Scale 1 inch = 40 ft." and marked "Frederick A. Leavitt Chairman" which plan is filed herewith. And the said Commissioners do hereby take for the purpose of a highway all the easements and rights incident to a public highway in the lands included within the lines of relocation hereinbefore described and as shown on the plan hereinbefore referred to and made a part hereof in so far as such lands may lie outside the limits of said way as heretofore defined. And permanent stone or concrete bounds not less than three feet long, two feet of which at least shall be inserted in the earth, will be erected at the termini and angles of the way relocated as aforesaid, when practicable and when not so, a heap of stones a living tree, a permanent rock or the corner of an edifice will be a substitute; or said bounds may be permanent stone or concrete bounds not less than three feet long, with holes drilled therein, and filled with lead, placed a few inches below the travelled part of the street or way. And it is determined by the Commissioners that the

Inhabitants of the Town of Medway do within two years from the date of this return and order complete said way in a thorough and workmanlike manner and to the acceptance of the County Commissioners. Suitable sidewalks, gutters, culverts, retaining walls, fences and railings shall be constructed wherever needed. And it is determined by the Commissioners that all the expenses of making the relocation of way is prescribed in this return and order including the expenses of constructing said way, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the Town of Medway. And the Commissioners have heard the proprietors of lands and property, rights and interests taken or affected by these proceedings, and have considered and estimated the damages sustained in the premises, having had regard to all the damages done to the parties respectively, whether by taking their property or injuring it in any manner, and having allowed, by way of set off, the benefits, if any to the property of said parties in the premises, and do estimate and determine the damages to be paid to said parties respectively, in the sums hereafter named; the same to be paid to said parties respectively by the Inhabitants of the Town of Medway when the lands hereby taken and over which said way is hereby location, have been entered upon and possession taken, for the purpose of constructing the said way.
