To the Honorable the County Commissioners of the County of Norfolk:

in said Dedham were appointed by the Commissioners as the time and place for commencing and proceeding to view the premises: and they thereupon caused a copy of said petition, and of order of notice thereon, to be served upon the Clerk of the Town of MEDFIELD, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for

said view: and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town: and to be published in the DEDHAM TRANSCRIPT, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said first day of July, 1952, the Commissioners, Frederick A. Leavitt, Russell T. Bates and Clayton W. Nash, met at the time and place specified in said order, when and where the petitioners appeared, and the Town of MEDFIELD was represented by its Selectmen; and the said Commissioners then viewed the route and premises, and heard all persons and corporations interested; and no party interested objected: and thereupon the said Commissioners did adjudge that common convenience and necessity require that said way be relocated as prayed for in said petition.

And thence the same was continued and adjourned from time to time to this meeting.

And now the said Commissioners, by courses and distances, metes and bounds, do relocate said MAIN STREET as prayed for in said petition.

And the lines of said relocation of said MAIN STREET are as follows:-

The northerly line begins at a stone bound on the northerly line of Main Street as laid out by the Norfolk County Commissioners by Return dated September 29, 1925, thence N-70-53-30-E a distance of 370.15 ft. to a drill hole in the granite curb which is on the northerly line of Main Street as laid out by the Norfolk County Commissioners by Return dated

The southerly line heretofore described, in general, is 60.00 ft. southerly from and parallel to the northerly line.

And the said Commissioners do hereby take for the purposes of a highway all the easements and rights incident to a public highway in the lands included within the lines of location hereinbefore described, except that portion of land belonging to the New York, New Haven and Hartford Railroad Company which is considered their right of way, over which side lines are established, all as shown upon a plan entitled "Plan showing the Relocation and Widening of a portion of Main Street, Medfield between Spring Street and Upham Road as made by the Norfolk County Commissioners by Return dated August 19, 1952. Scale: 1 inch = 20 feet. Wallace S. Carson, County Engineer" and signed by "Frederick A. Leavitt, Chairman" which plan is filed herewith and made a part of this Return in accordance with the provisions of Chapter 79 of the General Laws and all acts and amendments thereof and in addition thereto.

And permanent stone bounds will be erected at the termini and angles of said way relocated as aforesaid.

And it is determined by the Commissioners that all portions of the existing highway lying outside the lines herein established are hereby discontinued.

And it is determined by the Commissioners, that the

Inhabitants of the Town of MEDFIELD, do within two years from the date of this Return and Order complete said way in a thorough and workmanlike manner and to the acceptance of the County Commissioners.

The travelled part of said way shall be constructed not less than thirty-two (32) feet in width.

Suitable sidewalks, gutters, culverts, retaining walls, fences and railings shall be constructed, wherever, in the opinion of the County Commissioners, they are needed, provided however, no trees more than one and one half inches in diameter one foot above the ground shall be removed in the course of work done under this paragraph until the County Commissioners have been given notice of the intention to remove such trees and their assent thereto in writing has been given to the Inhabitants of the Town of MEDFIELD.

And it is determined by the Commissioners that all the expense of making the relocation of way prescribed in this Return and Order including the expenses of constructing said way, and all land and other damages and expenses incident thereto, be paid by the Inhabitants of the Town of MEDFIELD.

And the Commissioners have heard the proprietors of lands and property, rights and interests, taken or affected by these proceedings, and have considered and estimated the damages sustained in the premises, having had regard to all the damages done to the parties respectively, whether by taking their property or injuring it in any manner, and having allowed by way of set off, the benefits if any, to the property of said parties in the premises, and do estimate and determine the damages to be paid to said parties respectively, in the sums hereafter named; the same to be paid to said parties respectively by the Inhabitants of the Town of MEDFIELD when the lands hereby taken and over which said way is hereby located, have been entered upon and possession taken, for the purpose of constructing said way.
