This petition was presented to the Commissioners and duly entered at a meeting of said Commissioners, held at Dedham, aforesaid on the twenty-eighth day of August, 1956 by adjournment of their June meeting next preceding: and the thirtieth day of October, 1956 and three o'clock in the afternoon at the Court House in said Dedham were appointed by said Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon, to be served upon the Clerk of the Town of WEYMOUTH, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view; and also caused copies of an abstract of said petition and of said order of notice to be posted in two public places in said town: and to be published in the WEYMOUTH GAZETTE, a newspaper published in said County, said posting and publication having been seven days at least before the time and place appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.

And on the said thirtieth day of October, 1956, the Commissioners, Russell T. Bates, Everett M. Bowker and Ainslie K. Payne (acting in place of Clayton W. Nash of Weymouth who was disqualified by reason of residence) met at the time and place specified in said order: when and where the petitioners appeared and the Town of WEYMOUTH was represented by its Select-

And having given notice to such adjudication and of the time and place appointed, and for the purpose aforesaid in the same manner as the notice and publication were given and made before first proceeding to view, the said Commissioners met at the time and place appointed and then and there heard all persons and corporations interested, and said hearing was continued and adjourned from time to time to this meeting.

prayed for in said petition.
