meeting next preceding; and the second day of September, 1958, and three o'clock in the afternoon at the Court House in Dedham were appointed by said Commissioners as the time and place for commencing and proceeding to view the premises; and they thereupon caused a copy of said petition and of order of notice thereon to be served upon the Clerk of the Town of RANDOLPH, being the town within which such relocation of way was prayed for, fifteen days at least before the time appointed for said view; and also caused copies of

an abstract of said petition and of said order of notice to be posted in two public places in said town; and to be published in the RANDOLPH HERALD, a newspaper published in said County, said posting and publication having been seven days at least before the time appointed for said view, that all persons and corporations interested for or against said petition, might then and there appear and be heard if they saw fit.
