

Note 1:

An adjustment of 4'-00" was made here to make the record bearings of L.C. Plans of Case #11973 consistent with the bounds of Wood Road.

Note 2:

Wooden hubs were found at these locations. They had been placed several years before and looked undisturbed and reliable. They had small bronze tacks to indicate precise location and were referenced by four stakes.

Note 3:

The accuracy of location of the Town Line, as shown, was not checked.

I certify that this actual survey was made on the ground in accordance with the Land Court Instructions of 1959 between June 15, 1962 and July 15, 1962.

Date July 31, 1962  
 John P. Liensch  
 Registered Land Surveyor

Note 4:

August 2, 1962 - These two bounds have been removed by careless workmen in connection with grading for construction. - J.P.L.
